

AGENDA

Computer-assisted drug design approaches

Monday, 31st January 2022

15.00-18.00 Biomolecular simulations in computational drug design

Matteo Masetti - Università degli Studi di Bologna, Italy

Fund raising and proposal writing

Tuesday, 1st February 2022

09.00-10.00 Overview on Horizon Europe and other international funding schemes

Paola Cesaroni - Innovation Acta Srl, Italy

10.00-12.00 Maria Sklodowska-Curie Actions

Alberto Del Rio - Innovamol Consulting Srl, Italy

Foreseen break of 10 minutes at 11.00

12.00-14.00 Break

14.00-17.00 Maria Sklodowska-Curie Actions – Exercise and examples (only INTEGRATA fellows)

Alberto Del Rio - Innovamol Consulting Srl, Italy

Foreseen break of 10 minutes at 15.30

Wednesday, 2nd February 2022

09.00-12.00 National project: the example of the Italian Association for Cancer Research

Marianna Penzo - Università degli Studi di Bologna, Italy

Foreseen break of 10 minutes at 10.30

12.00-14.00 Break

14.00-17.00 ERC starting grant calls: funding opportunities for ground-breaking research

Monica Favaro - ICMATE, Consiglio Nazionale delle Ricerche, Italy

Foreseen break of 10 minutes at 15.30

Thursday, 3rd February 2022

09.00-11.00 The principles of proposal writing

Diana Boraschi - Shenzhen Institute of Advanced Technology (SIAT), Chinese Academy of Sciences (CAS), China

Foreseen break of 10 minutes at 11.00

11.10-13.00 Exercises (only INTEGRATA fellows)

13.00-14.00 Break

14.00-17.00 Biotech startup funding

Marta Bonaconsa - Nanomnia, Italy

Foreseen break of 10 minutes at 15.30

Friday, 4th February 2022

09.00-13.00 Continuation of exercises (only INTEGRATA fellows)
